Subject: **Bell ExpressVu Part 1 Application to Amend Certain Conditions of Licence Applicable to Bell ExpressVu's Satellite Relay Distribution Undertaking (SRDU) Licence – Supplementary Brief**

Dear Mr. Morin,

1. Bell ExpressVu hereby files this Application pursuant to Part 1 of the *Canadian Radio-television and Telecommunications Act Rules of Practice and Procedure*.¹
2. In this application, we request that the Commission remove an existing condition of service requiring our SRDU to make contributions of five percent of gross broadcasting revenues to Canadian programming.
3. We further ask the Commission to initiate a policy review to consider exempting all SRDUs from regulation.
4. Certain information contained in this Application is filed in confidence with the Commission pursuant to section 39 of the *Telecommunications Act* and the directions provided by the Commission in the Appendix to BTIB 2010-961.² In particular, the information we are providing in confidence represents detailed costing or other information that is the type of information the Commission has recognized as being confidential. Release of this information would provide existing and potential competitors with invaluable competitively-sensitive information that would not otherwise be available to them, and which would enable them to develop more effective business strategies. Release of such information could prejudice our competitive position
